Mediterranean Beef and Hummus Bowls

with Garlic Rice

Baharat is an Arabic blend of spices consisting of cumin, coriander, cardamom, paprika, and black peppercorns. We're using it to add a sweet and smoky flavor to garlicky ground beef in tonight's Mediterranean rice bowls. We love loading these bowls up with quick and easy components, like a bright tomato-herb salad and a simple dip of Greek yogurt swirled into creamy hummus.

Recipe tips

Be sure to read through the entire recipe before you begin cooking.

Parsley stems are actually quite tender, so we've kept them here for extra flavor and aroma.

Using a slotted spoon will drain off any excess fat from the beef so it doesn't end up in your bowls. Pouring the fat down the drain might damage your pipes—instead, pour it into a heatproof container once it's cooled slightly, and dispose in the garbage.

USDA recommends cooking ground beef to 160°F.

1. Cook garlic rice

Thinly slice **garlic**. Heat **½ tablespoon olive oil** in a small pot over medium heat. When oil is shimmering, add **rice** and **half of garlic**; stir to coat, 1–2 minutes. Add **¾ cup water** and **¼ teaspoon salt**; bring to a boil over high heat. Stir once, reduce heat to medium low, cover pot, and simmer until water is fully absorbed, 10–12 minutes. Remove pot from heat and let stand, still covered, for 10 minutes. Fluff **rice** with a fork; cover again to keep warm.

2. Prepare ingredients

While rice cooks, rinse all produce. Halve **grape tomatoes**. Pick **mint leaves**, discarding stems; then, roughly chop **mint leaves** and **whole parsley sprigs** (see recipe tip). Halve **lemon**. Pat **spinach** dry with paper towel and roughly chop.

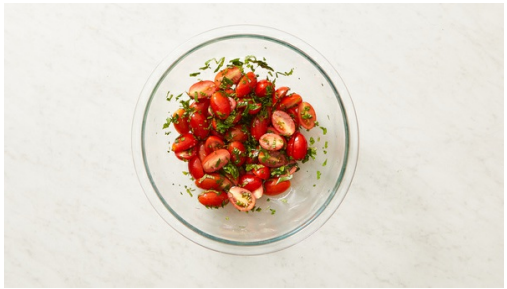

3. Brown beef

Pat **beef** dry with paper towel. Heat **½ tablespoon olive oil** in a medium pan over medium-high heat. When oil is shimmering, add **baharat spice mix**, **beef**, and **remaining garlic**; season with **½ teaspoon salt** and **pepper** as desired. Cook, breaking up meat, until browned, about 5 minutes. Add **tomato paste** and **¼ cup water**. Cook, stirring frequently, until slightly reduced, 1–2 minutes more. Remove pan from heat and cover to keep warm.

4. Prepare creamy hummus

While beef cooks, in a small bowl, stir **hummus**, **1 tablespoon olive oil**, **⅛ teaspoon salt**, and **pepper** as desired to combine. Add **Greek yogurt** to bowl and swirl into hummus (no need to stir it in all the way; we like the look of the yogurt swirl).

5. Make tomato-herb salad

In a medium bowl, toss **grape tomatoes**, **herbs**, **juice of ½ lemon**, **1 tablespoon olive oil**, **¼ teaspoon salt**, and **pepper** as desired to combine. Save remaining lemon to brighten a glass of water.

6. Plate beef and hummus bowls

To pot with **garlic rice**, add **currants** and **spinach**; stir to combine, then divide between serving bowls. Spoon **creamy hummus** alongside rice. Using a slotted spoon, top with **beef** (see recipe tip) and **tomato-herb salad**, spooning any **remaining salad dressing** over **Mediterranean beef and hummus bowls**. Enjoy!
