- 1 ounce apricot preserves
- 5 Brie rounds

8" small nonstick pan

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

If you have one, use a serrated knife to cut the baguette. It will easily saw through the crisp crust for thin, even slices.

Always wash your knife, board, and hands after cutting spicy chiles. Save remaining jalapeño for another recipe, like salsa or nachos.

No need to heat the apricot jam once it's added to the sautéed jalapeño—the residual heat from the pan will gently warm it through.

1. Prepare ingredients

Preheat oven to 450°F. Rinse all produce. Cut **baguette** lengthwise into 4 slices (see recipe tip). Halve **jalapeño** lengthwise; using a knife tip, discard seeds and stem, then mince **up to half** (see recipe tip). Roughly tear **basil** leaves, discarding stems.

2. Toast crostini and walnuts

Arrange **baguette slices** in a single layer on a baking sheet. Drizzle over **1 tablespoon olive oil** and season with **⅛ teaspoon salt** and **pepper** as desired. Add **walnuts** to sheet with baguette slices. Toast until crostini are light golden and walnuts are fragrant, 3 minutes (they'll continue toasting in Step 4).

3. Make jalapeño-apricot jam

While crostini and walnuts toast, heat **2 teaspoons olive oil** in a small nonstick pan over medium-high heat. When oil is shimmering, add **jalapeño** (it's spicy, so feel free to use less) and sauté, stirring, until beginning to soften, 2–3 minutes. Remove pan from heat and stir in **apricot preserves** and **1 tablespoon water** to combine (see recipe tip).

4. Finish crostini

While jalapeño sautés, cut **Brie** rounds into ¼-inch slices. Once toasted, top **crostini** evenly with **Brie**. Bake (with walnuts) until cheese is melted, 3–5 minutes. Then, using the back of a spoon, spread **Brie** evenly over crostini. Top with **jalapeño-apricot jam** and continue baking until jam is melted and walnuts are golden, about 2 minutes more.

5. Make arugula salad

In a large bowl, whisk together **apple cider vinegar**, **mustard**, **1½ tablespoons olive oil**, **¼ teaspoon salt**, and **pepper** as desired to combine. Pat **arugula** dry with paper towel and add to bowl with dressing, along with **half of walnuts**, and toss to coat.

6. Plate Brie crostini

Divide **Brie crostini** between serving plates and top with **basil** and **remaining walnuts**. Serve with **arugula salad**. Dig in!
