Cheesy Chicken Enchiladas Suizas

Total Time: 35-45 minutes Calories per Serving: 710

Serves: 2 people

Enchilada *suiza*, or "Swiss" enchilada, is a Mexican dish of filled and rolled tortillas slathered with a rich cream sauce. Its name alludes to the generous amount of dairy traditionally used. This version happily keeps all the creamy cheesiness without any of the heaviness.

USDA recommends cooking chicken to 165° F.

1. Sear Chicken

Preheat oven to 375°F. Heat **1 tablespoon canola oil** in a medium pan over medium-high heat. Rinse **chicken** and pat dry with paper towel. Season all over with **½ teaspoon kosher salt** and **pepper**. When oil is shimmering, add **chicken** and sear until cooked through and no longer pink, about 5 minutes per side. Remove from pan and using 2 forks, shred into bite-size pieces.

2. Prepare Ingredients

While chicken sears, rinse all produce. Mince **garlic**. Remove and discard husks from **tomatillos**, if necessary, and cut into ¼-inch dice (see Recipe Tip). Quarter **tomatoes**. Stack **tortillas**, wrap in foil, and place in oven to warm until ready to use.

3. Cook Salsa Suiza

Wipe pan from chicken clean and add **1 tablespoon canola oil** over medium-high heat. When oil is shimmering, add **spice mix** and **garlic** and cook until fragrant, about 30 seconds. Add **tomatillos** and cook until soft, about 5 minutes more. Remove pan from heat, then add **sour cream** and stir to combine. Taste and add **salt** and **pepper** as needed.

4. Make Filling

In a medium bowl, stir together **spinach**, **shredded chicken**, **tomatoes**, **½ of Monterey Jack**, and **½ of salsa suiza**.

5. Assemble Enchiladas Suizas

Place **warmed tortillas** on a clean dry surface. Working with 1 tortilla at a time, add **½ cup filling** to center and roll into a cylinder. Place seam-side down in tin, reshaping if bent. Repeat to form 6 enchiladas, placing 3 in each tin. Alternatively, place in a medium baking dish. Spread **remaining salsa suiza** over enchiladas to mostly cover. Sprinkle over **remaining Monterey Jack**.

6. Bake Enchiladas Suizas

Transfer **enchiladas suizas** to oven and bake until filling is warmed through and cheese is bubbling, 10-12 minutes. Share with a self-identified cheese lover.

- RECIPE TIPS

Be sure to read through the entire recipe before you begin cooking.

Rinse chicken and pat dry with paper towel. A slight odor is a natural reaction to vacuum packing.

Tomatillo Prep 101: Peel back the husks from the skin, remove, and discard. Be sure to rinse your tomatillos well to remove any sticky film left by the husks.
