

Scallop Piccata

over Angel Hair Pasta and Broccolini

Customers raved so much about our chicken piccata that we've brought back the classic Italian preparation—but this time, with a seafood twist. Lemon juice, capers, parsley, and white wine bring bright and briny contrast to sweet, tender bay scallops in a silky butter sauce. It's all served over roasted broccolini and thin threads of angel hair pasta.

Cooking Steps

Prepare ingredients
Preheat oven to 450°F. Bring a medium pot of water to a boil over high heat. Rinse all produce. Trim and discard woody bottoms of **broccolini**, then cut crosswise into 1-inch florets with long stems (halve lengthwise through thicker stems as needed). Finely chop **parsley** leaves, discarding stems. Halve **lemon**. Peel **shallot**, halve, and thinly slice. Mince **garlic**.

Sear scallops
Pat **scallops** dry with paper towel and season with **¼ teaspoon salt**. Heat **½ tablespoon olive oil** in a large high-sided pan over medium-high heat. When oil is shimmering, add **scallops**. Sear, without stirring, 2 minutes (to keep them from sticking to the pan). Then, stir **scallops**. Continue cooking until opaque and cooked through, 1 minute more. Using a slotted spoon, transfer **scallops** to a plate. Wipe pan clean for Step 4.

Cook pasta and broccolini
Line a baking sheet with **parchment paper**; add **broccolini** and toss with **1 tablespoon olive oil**, **half of Parmesan**, **¼ teaspoon salt**, and **pepper** as desired. Roast until beginning to brown, 6-8 minutes. Meanwhile, season boiling water generously with **salt**. Stir in **angel hair pasta** and cook until al dente, 4-5 minutes. Drain and return to pot, off heat. Stir in **1 packet butter**, **⅛ teaspoon salt**, and **black pepper** to coat pasta.

Make piccata sauce
Return pan from scallops to medium-high heat with **remaining butter**. When butter is foamy, add **shallot**and **garlic** and sauté, stirring, until softened and fragrant, 1-2 minutes. Add **capers**, **white wine**, **half of parsley**, and **juice of ½ lemon**. Cook, stirring, until liquid is reduced by half, 2-3 minutes more. Remove pan from heat.

Finish scallops and pasta
Add **scallops** to pan with piccata sauce, still off heat, and gently stir to coat. Taste and add **salt** and **black pepper** as desired. Transfer **roasted broccolini** to pot with pasta and toss to combine.

Plate scallop piccata
Divide **angel hair pasta and broccolini** between serving plates. Top with **scallop piccata**, spooning over any remaining sauce from pan. Garnish with **crushed red pepper** (skip or use half for less heat), **remaining parsley**, and **remaining Parmesan**, and dig in!
