1. Prepare Ingredients

Preheat oven to 450°F. Rinse **cauliflower** and cut into ½-inch florets, discarding tough stem and leaves. Mince **1 clove garlic** and set aside. Using the flat side of a knife, lightly crush **remaining 2 cloves**, keeping crushed and minced garlic separate. Divide **buns** between 2 pieces of aluminum foil and loosely wrap to create pouches. Set aside. Line baking sheet with parchment paper.

2. Prepare Cauliflower

In a large bowl, whisk together **flour**, **½ cup water**, and **¼ teaspoon salt.** Add **cauliflower** and toss to fully coat. Using a slotted spoon, remove **cauliflower**, allowing excess breading to drip off, and transfer to parchment-lined baking sheet in an even layer (see Recipe Tip).

3. Bake Cauliflower

Bake until cauliflower is golden brown, 22-25 minutes. Halfway through baking, place **buns** in oven to warm through, about 10 minutes.

4. Cook Brussels Sprouts

Heat **1 tablespoon canola oil** in a medium nonstick pan over medium heat. When oil is shimmering, add **crushed garlic cloves** and cook until golden, 2 minutes. Stir in **Brussels sprouts** and sauté until crispy, 5-7 minutes. Meanwhile, in a small bowl, stir together **rice vinegar** and **1 tablespoon canola oil**. Remove pan from heat, discard **garlic**, and pour over **vinegar mixture**. Season with **¼ teaspoon salt** and **pepper**. Divide between serving plates.

5. Make Sauce and Glaze Cauliflower

Wipe pan from Brussels sprouts clean and add **hoisin**, **soy sauce**, **Shaoxing rice wine**, and **minced garlic** over medium heat. Cook until sauce thickens slightly, 3-5 minutes. Add **roasted cauliflower** to pan with sauce and toss to coat.

6. Make Sriracha Mayo and Plate

In a small bowl, stir together **mayonnaise** and **Sriracha** (see Recipe Tip). Fill **warmed buns** with **glazed cauliflower** and drizzle with **Sriracha mayo**. Sprinkle over **sesame seeds** and serve with **crispy Brussels sprouts**. Dig into your feast!
