When slicing the jalapeño, avoid touching the inside, and immediately wash your knife, cutting board, and hands afterward. Feel free to add less or omit it if you don't love heat.

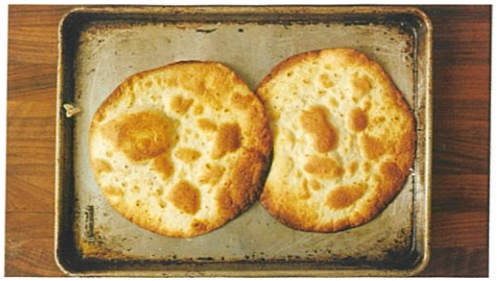

No food processor or blender? No worries! Add half of avocado to a large bowl and mash until smooth, then whisk in remaining dressing ingredients.

Halve **tomatoes**. Cut **lettuce** crosswise into 1-inch slices. Drain **beans** and rinse. Halve **jalapeño** lengthwise and using a knife tip, discard seeds and mince as much as desired (see Recipe Tip).
