Lamb Gözleme

with Roasted Carrots and Herbed Yogurt Sauce

Gözleme is a Turkish specialty that takes its name from the word *göz*, or "compartment." Warm, flaky, and bursting with filling, the savory stuffed flatbread is traditionally cooked on a griddle. We're hacking the recipe by using empanada dough, and filling it with spiced lamb and beef accented with cilantro and mint. The individual pastries are served with feta-tossed carrots, plus herbed yogurt sauce for dipping.

Recipe Tips

Be sure to read through the entire recipe before you begin cooking.

Using a slotted spoon will drain off any excess fat from the beef and lamb so it stays in the pan, not in your pastries. Pouring the fat down the drain may damage your pipes—instead, pour it into a heatproof container once it's cooled slightly, and dispose in the garbage.

USDA recommends cooking ground beef and lamb to 160°F.

1. Prepare Ingredients

Preheat oven to 425°F. Rinse all produce. Roughly chop **cilantro** and **mint** leaves, discarding stems. Halve **lemon**. Trim and discard **scallion** roots and thinly slice. Peel **onion** and cut into small dice. Mince **garlic**. Pat **beef and lamb** dry with paper towel.

2. Cook Filling

Heat **1 tablespoon canola oil** in a medium pan over medium heat. When oil is shimmering, add **onion**, **garlic**, and **half of spice mix**. Cook, stirring, until softening, about 5 minutes. Increase heat to medium high and add **tomato paste**, **beef and lamb**, and **½ teaspoon salt**. Cook, breaking up, until browned, about 5 minutes more. Using a slotted spoon, transfer **filling** to a bowl, discarding excess fat in pan (see Recipe Tip).

3. Assemble Gözleme

Add **scallions** to bowl with filling and mix to combine. Line a baking sheet with **parchment paper**. Carefully transfer **half of empanada doughs** to prepared baking sheet and arrange in a single layer. Divide **filling** evenly among doughs, leaving a ½-inch border. Top with **remaining doughs** and, using your fingers or the tines of a fork, press and crimp edges tightly to seal gözleme. Cut a 1-inch slit on top of each so steam can escape.

4. Bake Gözleme and Carrots

On a separate baking sheet, toss **carrots** with **remaining spice mix**, **1 tablespoon olive oil**, **¼ teaspoon salt**, and **pepper** as desired. Arrange in a single layer. Transfer **gözleme** and **carrots** to oven and bake, rotating baking sheets halfway through, until pastries are puffed and light golden, 20 minutes total.

5. Make Yogurt Sauce and Finish Carrots

While **gözleme** and **carrots** bake, add **remaining cilantro and mint** and **juice of remaining lemon** to container with **yogurt**. Season with **⅛ teaspoon salt** and **pepper** as desired and stir to combine. Use any extra downtime while your dinner bakes to get a head start on dishes. Then, remove both baking sheets from oven and toss **carrots** with **feta**, **half of cilantro and mint**, and **juice of ½ lemon**.

6. Plate Gözleme

Divide **lamb gözleme** and **roasted carrots** between serving plates and serve with **herbed yogurt sauce** for dipping. Dig in!
