Maple Yogurt

with Pumpkin Spice Granola and Apple Compote

Pie for breakfast? Yes, please! With this seasonal recipe, you'll find all the flavors of apple pie. We're sautéing apple, cinnamon, and brown sugar for a buttery compote paired with maple-infused Greek yogurt. It's layered with a crumbly, pumpkin-spiced granola packed with some of our favorite mix-ins: pumpkin seeds, chopped pecans, dried cranberries, and puffed quinoa.

baking sheet
8" small pan

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

Use the downtime while the granola bakes to brew a pot of coffee or tea—or relax and enjoy the sweet smells filling your kitchen.

Pushing the granola into a circle in the center of the baking sheet helps create crunchy clusters as it cools.

Store any leftover granola in an airtight container at room temperature for up to 1 week.

1. Prepare ingredients

Preheat oven to 350°F. Line a baking sheet with **parchment paper**. In a small bowl, reserve **1 tablespoon brown sugar** for Step 4. In a large bowl, stir together **oats**, **pumpkin seeds**, **pecans**, **pumpkin pie spice**, and **¼ teaspoon salt** to combine.

2. Prepare granola

Place a small pan over medium-low heat, then add **4 packets butter**, **remaining brown sugar** (not reserved 1 tablespoon), and **half of maple syrup** (save remainder for Step 5). Cook, stirring, until sugar has just dissolved and butter is foamy, 3–4 minutes. Remove pan from heat. Add **butter-sugar mixture** to bowl with **oat mixture**; stir to thoroughly combine. Wipe pan clean and reserve, off heat, for Step 4.

3. Bake granola

Transfer **granola** to prepared baking sheet and spread in an even layer. Bake until light golden, 10 minutes (see recipe tip). Stir to combine, then spread in an even layer; continue baking until dry, golden, and crisp, 5–10 minutes more. Add **puffed quinoa** and **dried cranberries** to sheet and stir to combine. Push **granola** into a circle in center of baking sheet (see recipe tip). Set aside to cool slightly, about 15 minutes.

4. Make apple compote

While granola cools, rinse **apple**; slice off rounded sides and cut into ½-inch cubes, discarding core. Place pan from butter-sugar mixture over medium heat with **remaining butter**. When butter is foamy, add **reserved brown sugar**. Cook, stirring, until sugar has just dissolved, 1–2 minutes. Add **cinnamon** and **apple**; cook, stirring, until apple is softened, 10 minutes more. Season with **¼ teaspoon salt**. Remove pan from heat; set aside to cool, 5–10 minutes.

5. Finish Greek yogurt

While compote cools, wipe bowl from granola mixture clean. Add **Greek yogurt** and **remaining maple syrup** and whisk to combine.

6. Plate yogurt and granola

Once granola and compote have cooled, divide **maple yogurt** between serving bowls. Layer with **apple compote** and **pumpkin spice granola** (see recipe tip). For a pretty presentation, use clear glasses (so you can see each layer) and repeat layers as desired. Enjoy!
