Crispy Smoked Tofu and Mushroom Egg Rolls with Scallions

Total Time: 45-55 minutes Calories per Serving: 710

Serves: 2 people

Smoked tofu is an extra firm, ready-to-use variety with a chewy texture. In this recipe, it's paired with shiitake mushrooms in a baked egg roll filling that hits the proverbial spot.

1. Prepare Ingredients

Preheat oven to 425°F. Wipe **mushrooms** clean with a damp paper towel. Thinly slice **½ of caps**, leaving remainder whole and discarding all stems. Rinse remaining produce. Thinly slice **celery** crosswise. Trim ends of **green beans**. Trim and discard **scallion** roots and thinly slice, keeping whites and light greens separate from dark greens. Trim and discard skin of **ginger** and mince. Cut **tofu** into ¼-inch dice.

4. Bake Egg Rolls

Arrange **egg rolls** seam-side down in a single layer on prepared baking sheet. Transfer to oven and bake, flipping halfway through, until golden and crisp, about 16 minutes total.

2. Make Filling

Heat **1 tablespoon sesame oil** in a large pan over medium-high heat. When oil is shimmering, add **carrots**, **sliced mushrooms**, **celery**, **scallion whites and light greens**, and **ginger** and sauté until tender, about 5 minutes. Add **1 packet soy sauce**, **tofu**, and **½ of rice wine** and cook, stirring, until warmed through, 1-2 minutes more. Taste and add **salt** and **pepper** as needed. Transfer to a large bowl.

5. Sauté Vegetables

While egg rolls bake, heat **1 tablespoon sesame oil** in pan from filling over medium-high heat. When oil is shimmering, add **whole mushroom caps**, **green beans**, and **spice mix** and sauté, stirring frequently, until browning and tender, 5-6 minutes. Remove pan from heat. Taste and add **salt** as needed.

3. Assemble Egg Rolls

Rub a baking sheet with **½ tablespoon canola oil** and set aside. Prepare a small bowl of warm water. Place **1 egg roll wrapper** in front of you on a clean dry surface so it resembles a diamond. Add **¼ cup filling** in a centered horizontal line. Dab water on edges. Fold in bottom corner, then outer corners. Fold over top corner, roll into a cylinder, and seal (see Recipe Tip). Repeat to make 10 egg rolls.

6. Plate Egg Rolls

While vegetables sauté, whisk together **scallion dark greens**, **remaining sesame oil**, **remaining soy sauce**, and **remaining rice wine** in a small bowl. Divide **egg rolls** and **sautéed vegetables** evenly between 2 plates. Serve with **soy sauce** alongside for dipping.
