# Crispy Shrimp Tacos

## with Cabbage-Carrot Slaw and Chipotle Mayo

For this Popular Recipe, we completely skip the deep-fry to make equally crunchy shrimp tacos. Magic, you say? We thought so, too. The secret's in the panko—airy, Japanese-style breadcrumbs that stay crisp even when folded in with chipotle, mayo, and seared shrimp. The tacos are complete with a refreshing lime-spiked slaw.

## 1. Prepare ingredients

Rinse all produce. Halve **lime**. Roughly chop **cilantro** leaves, discarding stems. Trim and discard **scallion** roots and thinly slice. Mince **garlic** (see recipe tip). Pat **shrimp** dry with paper towel and season with **¼ teaspoon salt** and **pepper** as desired.

## 2. Warm tortillas

Heat a large nonstick pan over medium-high heat. Carefully hover your hand a few inches away from the pan—when you can easily feel heat, add **tortillas** in a single layer and toast, working in batches as needed, until warmed through, about 30 seconds per side. Stack **tortillas** and wrap in foil to keep warm until ready to serve. Reserve pan for the next step.

## 3. Toast breadcrumbs

Heat pan from tortillas over medium heat. Add **breadcrumbs** and toast, stirring frequently, until golden, 5–6 minutes (see recipe tip). Transfer **breadcrumbs** to a plate, reserving pan for the next step.

## 4. Sear shrimp

Heat pan from breadcrumbs over medium-high heat and add **1 tablespoon canola oil**. When oil is shimmering, add **shrimp** and cook, stirring occasionally, until opaque and just pink, 4–6 minutes total. Using a slotted spoon, transfer **shrimp** to cutting board and allow to cool slightly, then roughly chop.

## 5. Make slaw and shrimp

In a large bowl, whisk together **sour cream**, **cilantro**, **garlic**, **half of mayonnaise**, **juice of ½ lime**, **¼ teaspoon salt**, and **pepper** as desired until fully combined (cut remaining lime into wedges for serving, if desired). Add **slaw mix** and **scallions** and toss to coat. In a medium bowl, stir together **chipotle paste** (skip or use half for less heat) and **remaining mayonnaise** to combine, then stir in **chopped shrimp**.

## 6. Finish shrimp and plate

Add **toasted breadcrumbs** to bowl with shrimp and toss gently to combine, being careful not to overmix (so the breadcrumbs stay crunchy!). Divide **tortillas** between serving plates and layer with **cabbage-carrot slaw** and **crispy shrimp**. Dig in!
