Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

If you don't have a high-sided ovenproof pan, cook the beef and vegetables in a regular large pan, then transfer to a medium baking dish before adding the mashed potatoes.

Using a slotted spoon will drain off any excess fat from the beef so it doesn't end up in your shepherd's pie.

USDA recommends cooking ground beef to 160°F.

1. Prepare ingredients

Preheat oven to 450°F. Rinse all produce. Peel **potatoes** and cut into 1-inch pieces. Quarter **carrots** and **parsnips** lengthwise, then cut crosswise into ¼-inch pieces. Thinly slice **chives**. Peel **onion** and cut into small dice.

2. Make mashed potatoes

Place **potatoes** in a medium pot and cover with cold water by 1 inch. Season generously with **salt** and bring to a boil over high heat. Cook until tender when pierced with a knife tip, 10–12 minutes (move on to Step 3, but don't forget to come back). Drain **potatoes** and return to pot, off heat. Add **butter** and, using a large fork or potato masher, mash until smooth. Season with **salt** and **pepper**. Cover pot and set aside for Step 6.

3. Brown beef

While potatoes cook, pat **beef** dry with paper towel. Heat **1 teaspoon olive oil** in a medium high-sided ovenproof pan over medium-high heat (see recipe tip). When oil is shimmering, add **beef**. Season with **½ teaspoon salt** and **pepper** as desired. Cook, breaking up, until browned, about 5 minutes. Using a slotted spoon, transfer **beef** to a bowl and set aside (see recipe tip). Wipe pan clean for the next step.

4. Cook vegetables

Return pan from beef to medium-high heat with **1 tablespoon olive oil**. When oil is shimmering, add **carrots**, **parsnips**, and **onion**; cook, stirring, until softened, 6–8 minutes. Add **tomato paste** and **beef** and cook, stirring to combine, 1–2 minutes more. Season with **¼ teaspoon salt** and **pepper** as desired.

5. Finish beef and vegetable filling

Reduce heat under pan with beef and vegetables to medium. Add **flour** and cook, stirring, until no longer visible, about 1 minute. Add **Worcestershire sauce**, **bouillon cube**, and **1 cup water**. Cook, stirring, until liquid is thickened and bouillon cube is dissolved, about 3 minutes more. Remove pan from heat.

6. Bake and plate shepherd's pie

Spread **mashed potatoes** over beef and vegetable filling in pan, still off heat. Transfer pan to oven and bake until lightly browned on top, about 5 minutes. Garnish with **chives**. Serve family-style or divide **shepherd's pie** between serving plates and dig in!
