Chipotle Turkey Empanadas

with Smoky Roasted Broccoli

We love the versatility of empanadas, a Mexican specialty with golden, flaky crust and endless flavor combinations. Here, we're channeling Southwestern flavors into a filling of browned turkey, smoky chipotle paste, and spinach. The finished empanadas are served with a side of spice-roasted broccoli topped with melted Cheddar to fulfill our cheese cravings.

Recipe tips

Be sure to read through the entire recipe before you begin cooking. Trust us—you'll be glad you did!

We're using spices like paprika, onion, and garlic to give the broccoli a smoky flavor.

An ideal task for a kitchen helper: Sealing the empanada dough! They can use their hands or a fork to get creative with a design.

USDA recommends cooking ground turkey to 160°F.

1. Prepare ingredients

Preheat oven to 450°F. Rinse **spinach** and pat dry with paper towel. Rinse **broccoli** and cut to 1 inch–wide florets, if needed. Peel **shallot** and mince.

2. Cook chipotle turkey filling

Heat **1 tablespoon olive oil** in a large pan over medium-high heat. When oil is shimmering, add **chipotle paste** (you could use less for milder spice, but chipotle's what flavors the filling!), **honey**, **red wine vinegar**, and **shallot**. Add **turkey** and season with **1 teaspoon salt** and **pepper** as desired. Cook, breaking up, until browned, about 5 minutes. Remove pan from heat and stir in **spinach** to wilt.

3. Prepare broccoli

While filling cooks, on a baking sheet, toss **broccoli** with **spice blend** (see recipe tip), **1 tablespoon olive oil**, **½ teaspoon salt**, and **pepper** as desired. Arrange in a single layer, spacing apart as much as possible. Set aside until empanadas are ready.

4. Assemble empanadas

Line a separate baking sheet with foil. Working 1 at a time, arrange **empanada doughs** on foil-lined sheet in a single layer. Spoon **about ¼ cup turkey filling** onto 1 half of each dough (serve any extra filling alongside the final plates, or save for tomorrow's lunch). Carefully fold **dough** over filling and, using the tines of a fork, press and seal edges tightly (see recipe tip). Cut a small slit on top of **empanadas** so steam can escape.

5. Roast broccoli and empanadas

Transfer baking sheets to oven and roast together until empanadas are puffed and broccoli is beginning to brown, 8–10 minutes. Then, sprinkle **Cheddar cheese** over broccoli and continue roasting until cheese has melted and empanadas are light golden, 3–4 minutes more. Remove both sheets from oven.

6. Plate empanadas

Divide **chipotle turkey empanadas** and **smoky roasted broccoli** among serving plates. Enjoy!
